

# **Quality Management System Policy**

## Introduction

• MAS Quality Certification (MAS) is dedicated to delivering high-quality certification services in accordance with ISO 9001:2015, ISO 14001:2015, ISO 22000:2018, and ISO 45001:2018. We commit to aligning our Quality Management System (QMS) with the requirements of ISO/IEC 17021-1:2015 to ensure the effectiveness, efficiency, and continual improvement of our services.

## Objective

• The objective of this QMS policy is to outline our commitment to delivering high-quality certification services, ensuring customer satisfaction, and meeting regulatory and international standard requirements.

## **Policy Statements**

## Top Management Commitment

• Top Management is committed to the development, implementation, and continual improvement of the QMS and will provide all necessary resources to achieve its objectives.

## Customer Focus

• We commit to understanding and meeting our customers' requirements and to delivering timely and accurate certification services.

## Impartiality and Confidentiality

• We uphold the principles of impartiality and confidentiality as essential components of our service quality, as outlined in our Impartiality Policy and Confidentiality Policy.

#### Compliance and Applicability

• We commit to comply with all applicable laws and regulations, as well as with the requirements of ISO/IEC 17021-1:2015.

#### **Continual Improvement**

• We shall establish, monitor, and review objectives and key performance indicators to ensure continual improvement of the QMS.

#### **Risk-based Thinking**

• We shall apply a risk-based approach to our management system to ensure that we identify, consider, and manage risks and opportunities that could affect the quality of our services.

# **Competence and Training**

• We shall ensure that all personnel involved in certification activities are competent and adequately trained to carry out their responsibilities.

#### Internal Audits and Management Reviews

• Regular internal audits and management reviews will be conducted to ensure the QMS is effective and yielding the desired outcomes.

# Customer Feedback, Complaints, and Appeals

• We have established processes for handling customer feedback, complaints, and appeals in a transparent and effective manner.

## Communication

• This policy will be communicated to all employees, contractors, and interested parties and will be made available to the public upon request.

## **Responsibility and Authority**

• The Quality Manager, overseen by Top Management, is responsible for implementing, maintaining, and improving the QMS.

## **Policy Review**

• This policy will be reviewed at least annually to ensure it remains relevant and effective in satisfying the requirements of ISO/IEC 17021-1:2015.
